

Hill, Ward & Henderson Believes In “Justice For All”

Since its inception in 1986, Hill Ward & Henderson has grown steadily, based on a client-focused philosophy. At present, the firm has grown to more than 80 lawyers.

Bay Area Legal Services recognizes Hill, Ward & Henderson for its deep commitment to the community and for making a difference for Bay Area’s low-income clients. Over the years, many of the firm’s attorneys and paralegals have provided pro bono services for individuals who are unable to receive assistance elsewhere. Moreover, the attorneys contribute \$32,000

annually to Bay Area to help preserve independence, hope, and dignity of those we serve. The firm’s altruistic contribution to the endowment fund is leaving a legacy for the future.

“Every lawyer in Florida has taken an oath to never reject the cause of the defenseless or oppressed. Bay Area Legal Services (BALS) is in the forefront of serving those in need. We at Hill, Ward & Henderson are enthusiastic supporters of BALS in partial satisfaction of the commitment we made when we were sworn in and in support of our attempt to meet the highest standards of professionalism. Through this support, we believe we are helping make a difference in our community.”
