

Become a Sustaining Law Firm! Our Community Needs Your Help.

► Why We're Here

- Scientific research has shown that the single most important predictor of a child's healthy growth and development is the attachment he/she forms with a consistent, loving caregiver.
- Seniors are often left vulnerable to fraud and schemes, and are less likely to report a crime.
- Being behind on rent or living under deplorable living conditions are often invisible to society, but can have drastic effects on a child's health.

► What We Do: Create pathways to justice

Help foster children find permanency in stable, loving homes; protect families from domestic violence and child abuse; and help veterans and seniors fight foreclosure and retain their homes.

► How to Become a Sustaining Law Firm

It's easy! The collective giving of the firm must equal \$350 per attorney.
