

Help us fight for them as they fought for us.

Our Mission

Bay Area Legal Services' goal is to raise at least one million dollars, which will be preserved in an endowment fund at the Community Foundation of Tampa Bay. The donor's initial investment will remain intact, and the interest earned on the funds will be used to support a veterans legal services unit indefinitely. The endowment method ensures that funding for this project will never cease, and that support for our veterans will continue for generations to come.

Please check the box associated with the endowment level you wish to give back to the community.
